Table

The table in this article looks very nice. I'm not sure, whether to replace it with wiki-one or not. I wrote it here, so if anyone thinks it is important to change it, please tell me or do so.

BTW: I asked Fuser to fill in the sources already, so it will be hopefully taken care of.

Thanks a lot ----  Jana Novotná (Editorial Board of WikiLectures) 14:20, 1 November 2011 (CET)
